High Points:

Powerful Performance & Display:

You get a smooth, responsive experience with the latest Android 13, Qualcomm Snapdragon 665 Octa-Core processor, 8GB RAM, 128GB ROM, and a 14.4-inch HD touch screen (1920x1200), supporting fast operation and 4K video.

Wireless Connectivity & Smart Features:

You can easily connect your iPhone or Android phone via Wireless Apple CarPlay, Android Auto, Bluetooth, and Mirror Link, allowing you to make calls, stream music, and use GPS, all while staying hands-free.

Navigation & Entertainment:

You'll enjoy real-time GPS navigation with offline and online map support (Yandex, Navitel, Waze), plus the ability to stream music and videos from services like Spotify and YouTube, and play various media formats.

Safety & Convenience:

You can control your car's features through the original steering wheel buttons, while the AHD rearview camera with night vision, dynamic parking guidelines, and multi-language support offer enhanced safety and convenience.

More Specifications:

Wireless Apple CarPlay & Android Auto	Connect your phone wirelessly for easy access to navigation, music, calls, and messages
Mirror Link	Display your phone's content on the screen via USB cable or phone's hotspot for seamless multimedia access
Bluetooth Connectivity	Stream music and make hands-free calls through Bluetooth, keeping you safe and connected while driving
Built-in GPS Navigation	Supports offline and online navigation with map updates, including apps like Yandex, Navitel, and Waze
Dual USB Ports	Includes two USB ports, one for playback and the other for fast phone charging (2A)
Video & Audio Playback	Stream music and videos or play files in multiple formats, such as MP3, MP4, and more
Original Steering Wheel Control	Control music, radio, and volume with the buttons on your steering wheel for added convenience and safety
AHD Rearview Camera Support	Automatically displays the rearview image on the screen when reversing, with dynamic guidelines for easier parking
Multi-Language Support	Supports up to 70 languages, including English, Spanish, French, Chinese, Arabic, and more, for global accessibility
