High Points:

Advanced Hardware and Display:

The system boasts a powerful 4-core CPU (1.5 GHz), 1 GB RAM, 4 GB ROM, and a 12.3-inch high-definition (1920x720) display running the latest Linux (T507) system. This ensures smooth operation, longevity, and seamless integration with the vehicle.

Intuitive User Interface and Control: The system is primarily controlled via the steering wheel, offering intuitive operation. Short and long presses on the steering wheel controls allow for easy navigation of menus, adjustments to settings (brightness, driving modes), and resetting trip counters. Six customizable UI themes (Digital, Classic, Aviation, Sport, Traditional, and Personalized) further enhance user experience.

Comprehensive Data and Warning System: The digital cluster displays essential vehicle data such as speed, RPM, fuel consumption, and various temperature readings. It also provides alerts for low fuel, maintenance needs, and system malfunctions, enhancing both convenience and safety.

Extensive Functionality and Compatibility: The system displays a wide range of intelligent data (transmission temperature, oil temperature, etc.) and is compatible with original vehicle information, including error codes and features like ACC and lane keeping. Its plug-and-play installation ensures easy setup and minimal disruption. Multiple language support is also included.

More Specifications:

Operating Modes	Primarily controlled via steering wheel buttons
	Long presses for menu access and trip counter resets
	Short presses for display switching and settings adjustments
Functions	Displays key metrics: speed, RPM, fuel consumption, and temperatures
	Alerts for vehicle mileage, fuel levels, and system issues
Additional Functions	Intelligent data displays, including oil and transmission temperatures
	Compatibility with original features such as adaptive cruise control
	Easy plug-and-play installation with no modifications needed
Support Language	Multiple language support, including Simplified Chinese, English, Russian, Japanese, Arabic, Spanish, and German
