High Points

Advanced Intelligent Cockpit

Features the latest Linux system (T507) with a 4-core CPU (1.5GHz), 1 GB RAM, and 4 GB ROM, along with a 12.3-inch high-definition display (1920 x 720) for seamless integration in BMW 7 Series E65/E66 models.

Intuitive Steering Wheel Control

Allows operation of various functions through steering wheel buttons, enabling easy adjustments for trip counters, display modes, and other settings without distraction.

Customizable User Interface

Offers four driving theme styles (Digital, Classic, Aviation, Sport) with personalized settings for color and display content, enhancing the driving experience.

Comprehensive Vehicle Monitoring

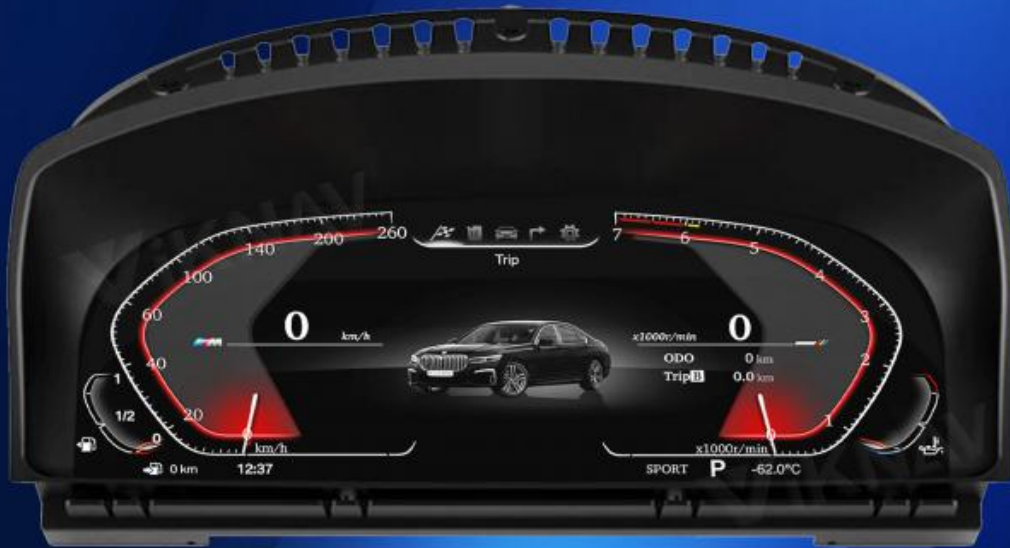

Displays critical metrics such as speed, RPM, fuel consumption, and various vehicle statuses, while maintaining compatibility with original vehicle functions and ensuring easy plug-and-play installation.

More Specifications:

High-Definition Digital Display	Features a 12.3-inch screen with a resolution of 1920 x 720 for clear visibility
Steering Wheel Control	Enables intuitive operation of functions like resetting trip counters and switching displays through steering wheel buttons
Customizable UI Themes	Provides four driving styles (Digital, Classic, Aviation, Sport) with options for personalized colors and display content
Real-Time Speed and RPM Monitoring	Displays current vehicle speed and engine RPM for effective performance management
Fuel Consumption Tracking	Shows real-time fuel consumption data to promote efficient driving habits
Multi-Function Data Display	Presents a variety of metrics, including transmission temperature, oil temperature, and ambient conditions
Warning Notifications	Alerts drivers about vehicle mileage, remaining fuel, and system malfunctions for timely intervention
Original Vehicle Compatibility	Supports original functions such as adaptive cruise control, lane-keeping, and tire pressure monitoring
Easy Plug-and-Play Installation	Quick installation with a start-up time of under 2 seconds
Multi-Language Support	Available in several languages, including English, Chinese, Russian, and more
