High Points

Advanced Intelligent Cockpit
Features the latest Linux system (T507) with a 4-core CPU (1.5GHz), 1 GB RAM, and 4 GB ROM, upgrading the original instrumentation to an 11-inch high-definition display (1920 x 720) for seamless integration in BMW X1 E84 models.

Intuitive Steering Wheel Control
Allows operation of various functions via steering wheel buttons, enabling drivers to manage settings like trip counters and display modes without distraction.

Customizable User Interface
Offers four driving theme styles (Digital, Classic, Aviation, Sport) with options for personalized colors and content, enhancing the overall driving experience.

Comprehensive Vehicle Monitoring
Displays critical metrics such as speed, RPM, and fuel consumption, along with alerts for vehicle status and compatibility with original vehicle functions, featuring easy plug-and-play installation.

More Specifications:

High-Definition Digital Display	Upgrades to an 11-inch screen with a resolution of 1920 x 720 for enhanced clarity
Steering Wheel Control	Enables easy operation of functions like resetting trip counters and switching displays using steering wheel buttons
Customizable UI Themes	Provides four driving styles (Digital, Classic, Aviation, Sport) with personalized color and display content options
Speed and RPM Monitoring	Displays current vehicle speed and engine RPM for optimal performance management
Real-Time Fuel Consumption Tracking	Shows live fuel consumption data to promote efficient driving habits
Multi-Function Data Display	Presents intelligent metrics such as transmission temperature, oil temperature, and vehicle tilt
Warning Notifications	Alerts drivers about vehicle mileage, remaining fuel, and system malfunctions for timely action
Original Vehicle Compatibility	Supports original vehicle data and functions, including adaptive cruise control and lane-keeping features
Easy Plug-and-Play Installation	Quick installation process with a start-up time of under 2 seconds, requiring no additional setup
Multi-Language Support	Available in several languages to accommodate diverse users
