High Points

Advanced Performance & Display

Features the latest Android 13 with an Octa-Core Processor, 8GB RAM, and 128GB storage, complemented by a 14-inch HD IPS touchscreen (1920x1200) that supports 4K video for stunning visuals.

Smart Connectivity

Supports wireless Apple CarPlay and Android Auto for hands-free operation, along with Bluetooth for seamless audio streaming and calling, enhancing safety and convenience.

Integrated Navigation & Entertainment

Includes built-in GPS with offline maps and real-time updates, access to Google Play Store for apps like Spotify and YouTube, and supports various media formats for a tailored entertainment experience.

User-Friendly Features

Retains original steering wheel controls, supports a rear view camera with dynamic guidelines, and accommodates up to 70 languages for a customizable user interface.

More Specifications:

Wireless Smartphone Integration	Supports wireless Apple CarPlay and Android Auto, allowing users to connect their smartphones for hands-free navigation, calls, and music playback
Mirror Link Functionality	Enables mirroring of Android phones via USB or WiFi, displaying apps, photos, and videos directly on the car's screen
Dual USB Ports	Comes with two USB ports—one for media playback and another for 2A fast charging, keeping devices powered during use
Bluetooth Connectivity	Offers hands-free calling and wireless music streaming, featuring an external microphone for clear audio quality
Built-in WiFi & 4G SIM Slot	Allows for internet access via a SIM card or mobile hotspot, enabling browsing, streaming, and app downloads on the go
GPS Navigation System	Provides accurate navigation with an external GPS antenna, preloaded offline maps, and real-time updates using popular apps like Waze and Google Maps
Multimedia Playback	Supports various media formats for music and video playback, allowing access to streaming services and content from the Google Play Store
Steering Wheel Control Retention	Maintains original steering wheel controls for easy adjustments to volume, track switching, and answering calls, enhancing driving safety

Rear View Camera Support	Compatible with AHD backup cameras, automatically displaying the rear view with dynamic guidelines for safer reversing and parking
Multi-Language Support	Offers the ability to switch between up to 70 languages, catering to a diverse user base for an intuitive experience
