High Points:

Powerful Performance and Stunning Display

You'll enjoy smooth performance with Android 11, 8GB RAM, and 128GB ROM, paired with a 15.6-inch HD touchscreen (1920*720 resolution). It supports 4K video for clear, vibrant visuals, enhancing your navigation and entertainment.

Comprehensive Connectivity and Smart Control

You can connect via wireless Apple CarPlay and Android Auto, Bluetooth, WiFi, and 4G SIM. GPS navigation with real-time traffic, rear-view camera, and steering wheel controls keep you connected and safe on the road.

Customizable User Experience

You can multitask with split-screen functionality, adjust sound settings with 48-EQ and professional DSP, and control audio settings through the steering wheel for a tailored driving experience.

Easy Installation and Ongoing Support

Installation is quick and easy with a plug-and-play setup. It supports 70 languages, offers fast USB charging, and comes with a 1-year warranty and lifetime technical support for peace of mind.

More Specifications:

Wireless Apple CarPlay & Android Auto	Allows you to connect your iPhone or Android phone wirelessly for navigation, calls, music, and messages, enhancing convenience and safety while driving
GPS Navigation with Real-Time Traffic	Built-in GPS navigation with real-time traffic updates, supporting offline maps and dual-zone functionality for simultaneous music and navigation
Multitasking with Split-Screen	You can run two apps simultaneously on the split-screen, such as navigation and music, for a more productive driving experience
Steering Wheel Control Integration	Provides easy control of volume, songs, and more directly from your steering wheel for added convenience and safety
Customizable Audio Experience	Equipped with a 48-EQ and professional DSP, you can customize the sound with bass boost, surround sound patterns, and individual speaker volume control
Bluetooth Connectivity	Supports Bluetooth for hands-free calls, music streaming, and wireless connections to other devices, enhancing your in-car experience
4G SIM Card and WiFi Support	Includes a SIM card slot for 4G connectivity and built-in WiFi for internet access, real-time map updates, and app downloads on the go
Multi-Language Support	Supports up to 70 languages for global compatibility
