#### High Points:

##### Enhanced Performance & Display:

Enjoy seamless operation with Android 13, powered by the Qualcomm Snapdragon 665 Octa-Core processor, 8GB RAM, and 128GB ROM. The 14.4-inch HD touchscreen (1920x1200) ensures fast performance and supports 4K video for a premium viewing experience.

##### Seamless Connectivity & Smart Integration:

Connect effortlessly to your iPhone or Android phone using Wireless Apple CarPlay, Android Auto, Bluetooth, and Mirror Link. You can make calls, stream music, and access GPS with hands-free convenience.

##### GPS Navigation & Multimedia Enjoyment:

Navigate smoothly with real-time GPS, offline and online map options (Yandex, Navitel, Waze), while enjoying music and videos from platforms like Spotify and YouTube. The system supports a wide range of media formats for your entertainment.

##### User Control & Safety Features:

Control key functions directly from your steering wheel, while the AHD rearview camera with night vision, dynamic parking guidelines, and multi-language support provide added safety and convenience for a more secure driving experience.

#### More Specifications:

<b>Wireless Apple CarPlay &amp; Android Auto</b>	Easily connect your phone wirelessly for quick access to navigation, music, calls, and messages
<b>Mirror Link</b>	Display your phone's content on the screen via USB or a hotspot, providing seamless access to multimedia
<b>Bluetooth Connectivity</b>	Stream music and make hands-free calls via Bluetooth, ensuring safety and convenience while driving
<b>Built-in GPS Navigation</b>	Navigate with offline and online map support, including apps like Yandex, Navitel, and Waze, for reliable directions
<b>Dual USB Ports</b>	Two USB ports—one for media playback and the other for fast 2A phone charging
<b>Video &amp; Audio Playback</b>	Stream music and videos or play a variety of media formats such as MP3, MP4, and more
<b>Original Steering Wheel Control</b>	Control music, radio, and volume using the steering wheel buttons, enhancing both convenience and safety
<b>AHD Rearview Camera Support</b>	Automatically displays the rearview image when reversing, with dynamic guidelines for smoother parking

## Multi-Language Support

Supports up to 70 languages, including English, Spanish, French, Chinese, Arabic, and more, ensuring global accessibility

After Installation Effect Pictures
