High Points:

Advanced Hardware

Powered by Android 13, 8GB RAM, and 128GB ROM, delivering lightning-fast multitasking and app responsiveness. LPDDR4 memory ensures smooth operation even at high speeds, and includes a 13.6-inch HD IPS touchscreen with a resolution of 1024 * 768, support 4K video.

Smartphone Integration

Wireless Apple CarPlay and Android Auto enable hands-free access to navigation, calls and messages – all controlled via your voice or steering wheel.

Versatile Connectivity

Offers Mirror Link capability, two USB ports (one for playback and one for fast charging), and Bluetooth for wireless audio streaming and hands-free calls.

Comprehensive Navigation and Media

Includes GPS navigation with offline maps, supports various apps, and allows media playback from streaming services, while also featuring a rear view camera with night vision and steering wheel control functionality.

More Specifications:

Smartphone Connectivity	Supports wireless Apple CarPlay and Android Auto, enabling hands-free access to navigation, calls, messages, and music through voice commands or touch
Mirror Link Functionality	Allows mirroring of Android devices via USB or hotspot, with two USB ports for media playback and fast charging
Bluetooth Capability	Facilitates wireless audio streaming and hands-free calling, featuring an external microphone for clear communication through the car's audio system
WiFi and 4G Connectivity	Equipped with a SIM card slot and built-in WiFi, enabling internet access for real-time navigation updates, app downloads, and streaming services
Comprehensive GPS Navigation	Includes an external GPS receiver with bundled navigation, supporting multiple navigation apps and dual-zone functionality for simultaneous use of navigation and media
Multimedia Playback	Supports a variety of audio and video formats, allowing access to streaming services and local media through Bluetooth and USB connections
Steering Wheel Control Retention	Maintains original steering wheel controls for convenient access to essential functions without distractions
Rear View Camera Integration	Compatible with a high-definition AHD backup camera, featuring night vision and dynamic guidelines for enhanced visibility and parking assistance
