Viknav Linux System Interface Box For Jeep Compass 2017-2019 Wireless Apple CarPlay Android Auto Stereo Only Support Original Car Screen

The image is a promotional graphic for the Viknav Linux System Interface Box. At the top, it features the 'Android Auto' logo on the left and the 'Apple Carplay' logo on the right. In the center, the 'VIKNAV' logo is prominently displayed in a stylized, metallic font. Below the logo, the text 'Linux Box For Jeep Compass 2017 -2019' is written in a bold, white font. The background of the graphic shows the interior of a car, specifically the dashboard and steering wheel area, with the central infotainment screen displaying icons for CarPlay, Auto, AirPlay, and Autolink. In the bottom right corner, there is a photograph of the actual interface box, which is a small, yellow, rectangular device with a black front panel and a red antenna. Overlaid on the bottom left of the graphic is a list of features in white text: 'Fit For Original Car OEM Screen', 'Retain All Original Car Function', 'Support Carplay Android Auto', and 'Support Steering Wheel Operate'.
